FOR IMMEDIATE RELEASE **Lonseal, Inc. Announces Executive Leadership Changes**

(May 2017) US-based Lonseal, Incorporated, a leader in resilient sheet vinyl flooring, has announced that Jorge Marquez is the new president of the company which is located in Carson, CA. The prior president, Yasuo Sakka, will be transitioning into the position as the CEO of the company and assume executive duties at the parent company, Lonseal Corporation, in Tokyo, Japan.

Mr. Marquez has played a pivotal role in Lonseal, Inc.'s continued growth since 1991 and will officially begin his new duties as president in June, 2017. Prior to his role as president, Mr. Marquez was Lonseal, Inc.'s VP of Operations. As president, Mr. Marquez will oversee all aspects of the company including strategic planning processes, external and internal customer focus, and oversight of the sales, marketing and quality teams. He will also monitor the vinyl flooring industry and work to continue Lonseal's standing as a leader in the areas of design innovation, formulation advancement and eco-friendly initiatives.

Mr. Sakka has worked for Lonseal Corporation since 2001 and became president of Lonseal, Inc. in 2014. In his new duties as CEO, Mr. Sakka will continue to oversee operations of the company from the home office in Tokyo.

Celebrating over 45 years of durability and performance in a variety of commercial industries, Lonseal® offers a unique selection of resilient sheet vinyl in exterior and interior, embossed, smooth, sport and wood-grain surfaces. Servicing a range of commercial applications including healthcare, educational, fitness, corporate as well as transportation sectors such as EMS, aviation and marine, Lonseal's products are specified through architects and designers nationwide.
