

The speckled surface of LONSPECK easily hides grit and scuffing, while the sanitary seaming contributes to a hygienic environment. The nine therapeutic colors available make Lonspeck an exceptionally flexible option in commercial spaces, including healthcare, assisted living, offices, education facilities, and showrooms.

Celebrating over 40 years of durability and performance, **LONSEAL® FLOORING** offers a unique selection of resilient sheet vinyl in exterior and interior, embossed, smooth, sport and wood-grain surfaces. We provide finishes of exceptional beauty and utility which are as economical as they are exhilarating. Servicing a range of commercial applications including healthcare, education, fitness, corporate, retail and hospitality, Lonseal Flooring products are specifically chosen by architects and designers nationwide. In addition, we have our **LONSEAL® SPECIALTY** product line that have been designed to provide solutions that meet the demands of market-specific installations in the areas of aviation, marine, and military.

Lonseal® has the reputation for the highest quality sheet vinyl products. We are known to focus on essential attributes such as stain and slip-resistance, **GreenMedic®** anti-microbial formula that is exclusive to Lonseal, and having the lowest VOC properties of any vinyl flooring product in the market with our **GreenAir®** formulation.
