

Lonseal's Lonmarine series of resilient sheet vinyl products are among the most popular on the market today, featuring ultra-realistic detailing and an array of inviting color offerings. From yacht cabins to kitchen galleys to deckways, Lonmarine's teak, holly, mahogany, walnut and stone styles visually enhance any watercraft semi-exterior space while providing:

- Flexible vinyl sheet construction allowing for waterproof seams and baseboard coving
- Low-maintenance finish
- Durable wear-layer that stands up to years of usage in marine environments
- Coordinating trim available for hatch covers and access panels
