LONDANTE

LONDANTE

CRACKED STUCCO...
of a sun-drenched villa

A THOUSAND LEAVES...
glinting in a rolling vineyard

AN ANCIENT MOSAIC...
and its dizzying maze of color and
pattern

ALL CAPTURED...
in Lonseal's latest collection:

LONDANTE

Featuring one of the warmest yet boldest palettes that Lonseal has ever offered, **Londante** is a resilient sheet vinyl that comes in seven intriguing colors and features a hypnotic cross-hatch pattern that imparts a distinctly Italian flavor to any interior space, from corporate offices to hospitality spaces to healthcare patient rooms.

Londante's delicately-etched lines suggest intricate marble and stone textures, while its saturated colors stand strikingly on their own or compliment a wide array of wood looks and solids.

Londante bears all the hallmarks that have made Lonseal an industry leader in resilient sheet vinyl for over 40 years: exquisite design, one-of-a-kind hues, and product formulation that includes significant recycled content and FloorScore®-certified low VOCs.

Classic yet utterly contemporary in design, **Londante** also features Lonseal's exclusive Topseal formulation, a factory-applied urethane finish that protects the floor and simplifies routine maintenance.
