LONZEBRA WITH TOPSEAL

The exotic surfaces of the African brush come to life in Lonseal's **Lonzebra** collection, featuring a striated linear pattern that is not only visually extraordinary but also serves to mask dirt and other blemishes. The inherent drama of this collection is typified by the latest color offering: Falcon.

Lonzebra comes standard with Lonseal's exclusive **Topseal** formulation, a factory-applied urethane finish that protects the floor, reduces scuffing and simplifies routine maintenance

Lonzebra distinctive wood stylings have enlivened spaces such as Core Power Yoga studio in Edina, MN; the Aveda Salon in Riverside, CA; and the Vice Club in Hollywood, CA (*below*).
