**FOR IMMEDIATE RELEASE**

**Lonseal, Inc. Appoints New Eastern Regional Sales Manager**

(Carson, CA – March 2019) US-based Lonseal Inc., a leader in resilient sheet vinyl flooring, is pleased to announce that Mr. John Cornely has joined the Lonseal sales team as the Eastern Regional Sales Manager (RSM) for the Building and Construction (B&C) Interiors division. Mr. Cornely comes with over 25 years of sales experience in the commercial flooring industry and has worked with high-profile national accounts. He arrives with previous RSM experience from Mannington Commercial and Parterre, with heavy emphasis in architectural specifications. Mr. Cornely also worked with the U.S. Navy on flooring product certifications, which is a benefit to Lonseal's government accounts.

Mr. John Cornely will oversee Lonseal's eastern B&C territories. The eastern territories for Lonseal consist of all states east of the Mississippi River, plus Nebraska, Iowa and Missouri. Mr. Cornely's primary responsibility will be to manage and build both existing and new national accounts. He will be responsible for directing, administering and coordinating all domestic sales operations for the eastern region. He will also provide ongoing support to the eastern sales force through strategic planning, product communication and assisting in all efforts to maximize sales revenue. Mr. Cornely comments, "I am thrilled to have joined the Lonseal team to help further develop their vision for unique high traffic commercial flooring. Lonseal has always been a leader in quality and unique patterns and I am excited to be a part of this passion for a better future."

In his new position, Mr. Cornely will be reporting to the President, Jorge Marquez, to establish and attain annual sales goals for his respective region. Mr. Marquez comments, "John comes to us with a strong, extensive background in account development and management within the resilient vinyl flooring industry. Not only is he well-read in the Building and Construction Interiors commercial sector, he is also experienced in government sector. Lonseal's specialty flooring has a strong performance with the military and we are happy that John can provide input in these projects and allow us to better understand and meet their needs."

Celebrating over 46 years of durability and performance in a variety of commercial industries, Lonseal® is known as the "Little Giant" in the resilient sheet vinyl flooring industry. Lonseal offers a unique selection of resilient exterior and interior sheet vinyl flooring in embossed and smooth surfaces. They provide designs that best fits commercial spaces ranging from industrial to healthcare. Lonseal services a range of commercial applications including healthcare, educational, fitness, corporate, exhibits, entertainment stage studios, as well as transportation industries such as EMS, aviation and marine. Lonseal's products are specified through architects and designers nationwide. For more information, visit [LONSEAL.COM](http://LONSEAL.COM) or call 310.830.7111.
