FLOORING

LONEQUATOR[®]

Axis Aircraft Collection

Axis is an embossed product collection featuring differently scaled coin-stampings that provide a variety of choice in terms of color and design options as well as outstanding traction which aids in reducing the risk of slipping.

LONEQUATOR offers a twist on Lonseal's coin-stamp offerings by featuring a matte surface and smaller patterning for greater subtlety and a more contemporary elegance.

REACH COMPLIANT: Phthalate free, SVHC free
