Antique Elegance in a Modern World

Phthalate Free

LONMOIRE TOPSEAL's wood grain pattern has the characteristics of watery waves of lines. This ripple design was once coveted by queens. It distinguishes the centuries-old pattern that now gives everyday commercial spaces a genteel touch. Lonmoire is **PHTHALATE FREE** and also features Lonseal's exclusive Topseal formulation. Topseal is a factory-applied urethane finish that protects the floor, reduces scuffing and simplifies routine maintenance. Topseal wear layer extends the life of the flooring by protecting it from wear due to staining, soiling and scuffing.
