

Lonseal, Inc. and Quin Global have completed compatibility testing of TensorGrip® P809 with Lonseal sheet vinyl flooring products, and the P809 is approved for use with Lonseal flooring products in marine or specialty vehicle applications.

**Disclaimer:** Use of P809 with Lonseal sheet vinyl flooring is subject to the Quin Global limited warranty. This includes support for product performance claims and provisions on warranty coverage. Lonseal does not sell or market Quin Global products nor is P809 covered by Lonseal's warranty.

Application will be per Quin Global requirements, per their most current technical information.

P809 benefits:

- ▶ Bonds vinyl permanently
- ▶ Over 300 °F (150 °C) temperature resistant
- ▶ Excellent plasticizer resistance
- ▶ Strong, permanent bonds
- ▶ High output for fast application
- ▶ Resists weathering, water, fuel, oil, and many other plasticizers
- ▶ Bonds to damp surfaces (moisture cure)
- ▶ Semi-repositionable
