TOPSEAL

330 ECRU / 331 OATMEAL

LONWOOD  
NATURAL TOPSEAL

7462 GENTLE WIND

SELF REGIONAL HOSPITAL - GREENWOOD

**Loneco® Linen** features a loose woven design that gives a hip, stylish touch to any interior space. An abstracted take on a fabric look, Loneco® Linen suggests the delicacy of cloth while its hue variations and slightly stubbed texture provide strength and durability. **Lonwood Natural** pairs the timeless aesthetics of wood with the benefits of high-performance sheet vinyl in colors that range from earthy to quirky. Its soft grain patterning and smooth surface make Lonwood Natural ideal for those who want the warmth of wood with easier maintenance. Both comes standard with Lonseal's exclusive Topseal "no-wax" flooring formulation.
