LONECO® LINEN TOPSEAL

Classic Linen Pattern and 50% Recycled Content

Utilizing the same formulation of 50% recycled content of Lonseal's popular Loneco® line, LONECO® LINEN, features a loose woven design that gives a hip, stylish touch to any interior space. An abstracted take on a fabric look, Loneco® Linen suggests the delicacy of cloth while its hue variations and slightly stubbed texture provide a sense of strength and durability. Loneco® Linen also features Lonseal's exclusive Topseal formulation. Topseal is a factory-applied urethane finish that protects the floor, reduces scuffing and simplifies routine maintenance. Topseal is applied in a 30-micron wear layer and extends the life of the flooring by protecting it from wear due to staining, soiling and scuffing.
