

Spray-Lock® **#3100 Sheet Goods Spray Adhesive** **—alternate adhesive—**

Lonseal and Interlock Industries, Inc. have completed compatibility testing of Spray-Lock® #3100 Sheet Goods Spray Adhesive with all interior Lonseal sheet vinyl flooring products. Spray-Lock® #3100 Sheet Goods Spray adhesive is approved by Interlock Industries, Inc for Lonseal flooring products. Please refer to www.spraylock.com for a list of approved Lonseal products.

If specified for installations incurring heavy static loads, such as hospital beds, heavy rolling loads, pallet jacks, etc., then such adhesive would be in lieu of Lonseal's recommended adhesives: #755 Premium Bond, #400 Contact, or #650 Epoxy Adhesives.

DISCLAIMER: Use of Spray-Lock® adhesives with Lonseal sheet vinyl flooring is subject to the Interlock Industries, Inc. limited warranty. This includes support for product performance claims and provisions on warranty coverage. Lonseal does not sell or market Spray-Lock® products nor is the Spray-Lock® system covered by Lonseal's warranty.

Spray-Lock® #3100 Sheet Goods Spray Adhesive product benefits:

- ▶ Heat weld the same day
- ▶ 0.020 g/ml VOC content
- ▶ Immediately allows all traffic (including hospital beds)
- ▶ Non-flammable
- ▶ 8 lbs. vapor emissions / 95% RH / pH 11
