## FLOORING

### LONMOIRE<sup>®</sup> Topseal

*Antique Elegance in a Modern World*  
*Phthalate Free*

LONMOIRE TOPSEAL's wood grain pattern has the characteristics of watery waves of lines. This ripple design was once coveted by queens. It distinguishes the centuries-old pattern that now gives everyday commercial spaces a genteel touch. Lonmoire is **PHTHALATE FREE** and also features Lonseal's exclusive Topseal formulation. Topseal is a factory-applied urethane finish that protects the floor, reduces scuffing and simplifies routine maintenance. Topseal is applied in a 30-micron wear layer and extends the life of the flooring by protecting it from wear due to staining, soiling and scuffing.
