

LONSTRAND Topseal Wins a Product Innovations Award from BUILDINGS

LONSEAL is proud to announce that LONSTRAND Topseal was awarded a Product Innovations award from BUILDINGS in the flooring category. The product is a member of an elite group of products that will be showcased in the July/August 2019 print and digital issues of *BUILDINGS*.

LONSTRAND Topseal received a [Merit Award](#) distinction, which was 1 of only 16 products selected for this honor.

The BUILDINGS editorial staff evaluated submissions in terms of their innovation and contribution to productive workplaces. The staff then evaluated finalists in person at the NeoCon 2019 show in Chicago's theMart.

About BUILDINGS

BUILDINGS Media serves more than 74,000 commercial building owners and facility managers in North America. Its magazine, newsletter and website provide resources and information that help subscribers and users make smarter decisions about managing, operating and renovating their facilities.
