LONECO[®] LINEN

Topseal

Classic Linen Pattern

Utilizing the same recycled formulation content of Lonseal's popular Loneco[®] line, LONECO[®] LINEN, features a loose woven design that gives a hip, stylish touch to any interior space. An abstracted take on a fabric look, Loneco[®] Linen suggests the delicacy of cloth while its hue variations and slightly stubbed texture provide a sense of strength and durability. Loneco[®] Linen also features Lonseal's exclusive Topseal formulation. Topseal is a factory-applied urethane finish that protects the floor, reduces scuffing and simplifies routine maintenance. Topseal wear layer extends the life of the flooring by protecting it from wear due to staining, soiling and scuffing.
