# ABOUT LONSEAL® MARINE FLOORING

Lonseal has been a leader in the sheet vinyl flooring business for over 90 years, 50 of those have been dedicated towards the marine business, with the United States Navy as our first customer. Lonseal manufactures a wide variety of flooring choices ranging from smooth surfaces that mimic sealed concrete and wood visuals, to the textured variations of coin dots and diamond plate.

Our marine line features include:

- 6' and 8' widths available (Loncoin II and Lonplate II custom option styles).
- Flexible construction, flash coving and select vertical surface applications.
- Matching welding thread.
- Durable commercial wear-layer that stands up to years of usage in marine environments.
- Mixture of interior and semi-exterior marine product lines.
- Custom patterns and colors available with a minimum order requirement.
- Coordinating <u>Trims</u> available for <u>Lonmarine® Wood</u> that can be used for access panels and stair nosing.
- Lonmarine® Wood, Lonmarine® Stone & Loncommodore®.
  - IMO compliance for international markets (MED-Approved Flooring per IMO-SOLAS Requirements).
    USCG certified.

#### **Custom Options**

Lonseal has additional design options for LONMARINE and LONCOMMODORE that are approved for MED/USCG. These options will be strictly processed as custom orders and will not be treated as regular stocked inventory.

### LONMARINE® STONE

LONMARINE® STONE consists of a lightly dappled palette of neutral and gray tones that makes it a perfect fit for interior and semiexterior spaces of both pleasure boats and hard-working industrial craft. The elegant marbleized pattern helps mask routine scuffing that can occur with heavy foot traffic.
